

The Main Thing is
having a plan.

Without knowing
Broadcom's plan,
we recommend
having a solid
back-up plan with
a trusted partner.

The Main Thing for Concerned Broadcom Customers

No matter what your Main Thing is, Broadcom's acquisition of CA brings up some important yet unanswered questions about the future. That's why now is the time to have an alternate plan ready. Let's put together a future-proof plan focusing on The Main Thing: you and your company's IT.

Fact Sheet for Broadcom Customers

The Main Thing about BMC

For more than 35 years, BMC has been the backbone of the most prestigious companies in the world: 93% of the Fortune 500 and 84% of the Forbes Global 100 run on BMC. We are known for speed, agility, efficiency, and most of all value in the areas of IT service management, automation, operations, multi-cloud challenges, and the mainframe.
